

Family Respite Voucher Approved Provider List

Family Respite Vouchers may only be utilized with Approved Providers from the following list. You may choose to use one or multiple providers for care.

No individual (family member, friend, etc.) or independent providers may be used for respite services in this program.

If your desired provider is not included on the Approved Provider list, contact the Colorado Respite Coalition to see if they meet the qualifications and are willing to register as a respite provider for the program.

You must notify the Colorado Respite Coalition of your chosen respite provider within 30 days of approval. Vouchers must be used within the award term on award letter.

Caregivers are responsible for the respite scheduling, supervision and review of provider credentials and training. We encourage you to consider the type of respite you are seeking and to ask providers questions upon selecting an agency.

What to do: Contact your selected provider to schedule respite services, and notify them of your voucher award. Complete the Family Caregiver Agreement and schedule services. The agency will bill the Colorado Respite Coalition directly up to your full voucher dollar amount. **Enjoy the respite!**

Please visit www.ColoradoRespiteCoalition.org

> *Our Programs > Family Voucher Program for any updates to this list.*

For any questions or concerns regarding Approved Respite Providers or the voucher program, contact

Elle Billman at ebillman@eastersealscolorado.org or 303.233.1666 x 225 or

Amy Kirchberg at akirchberg@eastersealscolorado.org or 303.233.1666 x253

All providers must be deemed eligible and submit an application to Easterseals Colorado prior to providing respite care services. Providers on this list undergo fingerprint-based background checks and maintain proper insurance.

Greater Denver Metro Area
