Current Needs in Summit County:
- Overnight respite
- In home respite care
- Respite providers who can travel with families
- Increased transportation options
- Increased number of adult day programs (currently only one program in Summit County)
- More providers for all types of respite services
- Improved continuum of care, especially for older adults
- One organization willing to lead efforts
- Resources for addressing caregiver/care recipient barriers (hesitation for respite)

Current Resources in Summit County:
- Senior Center
- Timberline Adult Day Program
- AAA Volunteer Respite Program
- REST trained volunteers can go into home
- Center for Independence is exploring high school mentoring program to educate about special needs populations

Next Steps:
